| <input type="checkbox"/> Crane | <input type="checkbox"/> Trencher | <input type="checkbox"/> other _____ |
| <input type="checkbox"/> Crusher | <input type="checkbox"/> Pipelayer | _____ |
| <input type="checkbox"/> Conveyor | <input type="checkbox"/> Paving Machine | _____ |

Undercarriage type

- Single Frames

Dimensions

- A** - Distance from centre of sprocket to centre of idler (mm) _____
B - Undercarriage Total Length (mm) (*) _____
C - Frame Height (mm) _____
D - Track Shoe Width (mm) (*) _____
E - Undercarriage total width (mm) (*) _____

Technical Datas

- Machine gross weight (including undercarriage) (Kg) (*) _____
 Gradeability (%) _____
 Traction force (Kn) (*) _____
 Maximum machine speed (km/h) _____
 Ground pressure (kg/cm²) _____
 Oil flow (liter/minute) _____
 Max oil pressure (bar) _____
 Rotation on the point Yes No

Describe how machine operates and machine duty cycle in detail

*= required.
