**Type of Machine**

- |                                   |   |   |
|-----------------------------------|---|---|
| <input type="checkbox"/> Drilling | <input type="checkbox"/> Excavator      | <input type="checkbox"/> Forestal Machine |
| <input type="checkbox"/> Crane    | <input type="checkbox"/> Trencher       | <input type="checkbox"/> other _____      |
| <input type="checkbox"/> Crusher  | <input type="checkbox"/> Pipelayer      | _____                                     |
| <input type="checkbox"/> Conveyor | <input type="checkbox"/> Paving Machine | _____                                     |

**Undercarriage type**

- Fixed Undercarriage

**Dimensions**

- A - Distance from centre of sprocket to centre of idler (mm)
- B - Undercarriage total length (mm) (\*)
- D - Track shoe width (mm) (\*)
- C - Frame height (mm)
- E - Undercarriage total width (mm) (\*)
- F - Height of the slewing ring from ground (mm)
- G - Height of central chassis from ground (mm)
- H - Slewing ring diameter (mm)

**Technical Datas**

- Machine gross weight (including undercarriage) (Kg) (\*)
- Gradeability (%)
- Traction force (Kn)
- Maximum machine speed (km/h) (\*)
- Ground pressure (kg/cm<sup>2</sup>)
- Oil flow (liter/minute)
- Max oil pressure (bar)
- Max moment on the slewing ring (Nm)
- Rotation on the point
